

***The Muppets' Wizard of Oz*: Walter Squire**

Walter Squire will be giving an introduction to *The Muppets' Wizard of Oz*, which will be subsequently shown. His introduction will note that beginning with Baum's own 1902 stage production, adaptations of *The Wonderful Wizard of Oz* build upon one another, including the Fox TV movie *The Muppets' Wizard of Oz*. After noting how these adaptations build upon one another he will note additional complexities and items of interest in *The Muppets' Wizard of Oz*.
